

Sweden ICT invites you to:

MATCHMAKING FOR INTERNATIONAL STUDENTS

Find the job of your dreams - in Sweden, April 13th

Lots of talents and innovative companies, with a focus on information & communication technology, come together for this spring's greatest challenge: to find the right match!

Finishing your studies on master level soon? Interested in a career in Sweden? Join this event and get your competences matched with companies' recruitment needs!

HOW TO APPLY?

Register your profile before April 5th.

MATCH BY AI TOOL

An AI tool will match your profile to the companies' needs.

PERFECT MATCH?

If you are one of the six talents that score the highest match with the companies' needs, you will be invited to a 20-minute digital interview with representatives from the company.

WHEN?

The digital interviews will be arranged on April 13th 2021.

NETWORK

At this event, you have the chance to meet innovative startups, scaleups and international R&D companies.

THE JOB OF YOUR DREAMS - IN SWEDEN!
