

These are the questions you will answer in the application process. Take your time for preparation before you start your application.

Hello!

- What is your company name?
- Have you applied to IndX before?
- Where are you located?
- Contact information:
- Link to your website or portfolio:
- Describe your technical solution/product- let us know what makes it unique (USP) (max 1500 characters)
- Short company description. (max 200 characters)
- The problem/problems/needs your solution adress (max 1000 characters)
- What's your focus area?
- In what stage is your idea?
- What department would be interested in your solution at our partner corporations'?
- What is your aim with participating in IndX? (max 1000 characters)
- Please upload a presentation. *Most important to cover the solution/product.*
- Do you want to add another presentation, a movie clip or a filmed pitch that will help us understand your company and idea even better?
You can upload link and/or a file. This stage is optional but it can help you increase your chances in the process.

Company information

- When was your company founded?
- How many employees do you have?
- What is your annual revenue?
- How did you find IndX?
- Sometimes the timing is not right, if this should be the case with your application, is it ok if we save it in our startup bank? *If so, we might contact you at a later stage. You can ask to be removed from the bank at any time.*
- Do you want to sign up to the IndX Newsletter? (Yes!)
